## Keep It. Give It.™

**Social Impact and Sustainability Commitment**

of printed marketing materials produced on FSC-certified paper

**1,950+** 

products that carry the KG Factor designation, identifying products that lessen environmental impact through longevity

**600+**

**Scope 1 & 2 greenhouse gas emissions measured monthly**

by location and type (natural gas, propane, diesel, refrigerant, electricity, etc.)

**single-stream recycling programs**

in place: paper, cardboard, plastic, aluminum, e-waste, lightbulbs, and batteries

**1.9 million**

plastic bags kept out of the waste stream by receiving and shipping acrylic drinkware without them

the packaging we receive products in is typically the packaging in which we send it to you

**13 brand partners**

who participate in their own sustainability programs

**500+**

of our paper products use paper from SFI- or FSC-certified mills

**giving back**

to the communities where we work, live, and play isn't just the right thing to do, it's also good business. *We proudly support 4 Paws for Ability and United Way.*
