The discount percentage is calculated on the date that the payment is received in full on orders, order-to-storage notices or invoices.

To qualify for Early Payment Discounts:

- You must have a line of credit with us; you cannot be a prepay customer.
- Your imprinted calendar order must be received and processed with a sales order number on file. Please allow adequate time for us to process your order.
- You must pay the order/invoice in full, including freight and tax. (Payment remit MUST be attached.)

All other items are invoiced in accordance with account terms. Discounts are not offered with consolidated invoicing.
