

custom packaging

makes a lasting impression

STEP 1: Provide us the details

- What item(s) you would like to include in your box?
- Give us a target price and quantities (required).
- Timelines are helpful but not required.
- Are the boxes going to one location or multiple addresses?
- Will you use your preferred carrier or require a freight quote?

STEP 2: Pick your packaging

- Select either a corrugated or chipboard box; then, choose your closure option: inside tuck, outside tuck, two piece, or fold above.
- Don't forget about the inside packaging – pick from shreds, foam trays, corrugated insert trays, and more!
- If you aren't sure, no problem! We will provide the best options based on your target price.

STEP 3: Virtual proof and approval

- Once you approve the quote, we'll provide a virtual proof.
- When you are ready, place your order. Make sure to reference the quote number on your order!
- Production begins upon final approval.

Recycled options are available. Ask your rep for more details.
