

DualLink Charging Cable 2A with USB Hub

Power meets versatility!

This must-have tech accessory will keep you connected thanks to its dual input for USB and Type-C devices and three outputs compatible with Apple® 8-pin, micro-USB, and Type-C devices. The built-in USB hub features both USB and Type-C ports and unleashes seamless data transfers. Stay charged! Stay connected!

Available in black, blue, or white.

Make it yours today.
