

Astrid Recycled Vacuum Tumbler - 24 oz.

Treat yourself, sip by sip

Enjoy your favorite beverage at home or on the go with this double-wall, vacuum-insulated stainless steel tumbler. Its matte metallic finish with subtle shimmer brings a little sparkle to your busy day. Sip away with the built-in silicone straw that fits snugly in the spill-resistant, screw-on lid. The matching nonslip silicone base helps prevent scratches and keeps this drinking vessel in place. Tumbler body is made with 90% post-consumer recycled stainless steel; lid is made of 100% post-consumer recycled polypropylene.

Available in matte metallic blue, matte metallic teal, matte metallic silver, or matte metallic black.

“No more searching for my straw—having it built right into the lid is such a game changer!”

Make it yours today.
