Glinda Pen

Make a statement with this striking monochromatic pen!

From top to bottom, this pen has a striking monochromatic design that will turn heads. A UV coating gives the trim, plunger, and section a mirrored effect for even more drama. Add in its smooth plunger mechanism, comfortable rubber grip, and durable tungsten carbide ball, and this pen will quickly become a favored writing tool.

Available in black, blue, champagne, red, rose gold, and white.

“I love the sleek style
of this pen - it's always
my top choice!”
